# SCHOOL CELEBRATES HOMECOMING

## THE FREEDOM FORUM

The Freedom Forum, directed by Mrs. Campbell, is again well on its way to another successful year. This Year's panel consists of Edward Blank, Eddie Holt, Tommy Frist, Dick Sager, Jimmy Rule, and George Sloan. These boys are striving to make the forum a greater achievement than ever before.

On Tuesday, November 2, they were warmly received by the West High School audience. Since everyone enjoyed the program, the speakers were cordially invited to return again. Our own student body greatly liked the Freedom Forum's program on November 5. Other engagements include Isaac Litton on the 9th and on Monday, the 15th, they will speak before a combined group of the M.B.A. Men's Club and Ladies' Auxiliary.

Although the Freedom Forum is built on entirely new materials from several new sources, its aim and purpose are the same as last year's. That is to inspire all students to help preserve the American way of life.

Mrs. Campbell, Mrs. Bitzer, and several other faculty members are compiling material for a scrapbook about the Freedom Forum. When finished, it will be sent to the Freedom Foundation in Valley Forge, Penna. With this scrapbook, the school is trying to take the top award in the contest. Last year we placed second. Jimmy Rule is giving able assistance to Mrs. Campbell and her staff with his untiring work toward the success of this book. Much credit is also due to Eddie White for his fine work in taking the many necessary pictures.

## GLEE CLUB OFFICERS

The Glee Club which is a new experience for many M.B.A. boys, has so far in its first weeks of existence proven very successful. Mrs. Breast guarantees that our boys are by far not the worse group she has ever attempted to instruct and that they are making definite progress. The following officer have been chosen to lead the Glee Club this year:

President—Jack Welch  
Secretary—Jim Perry  
Sgt.-at-Arms—Bill Eggs  
John Dobson

Members of the court and their escorts from left to right are: Mary Beth Cranch, Hayes Cooney, Ann Huddleston, Mack Brothers III, Betty Lackey, and John Teas.

## NEW HI-Y MEMBERS

The Hi-Y Club, a recently formed club at M.B.A. which promotes Christian fellowship among the boys at school, has elected its new members for this school year. They are: Edward Blank, Norman Minick, Don Chickey, Jim Thurman, Boyer Chesire, Russell Hooper, Eddie Holt, Peter Scales, Mac Rolfe, Ben Dishman, Jeff Edwards, Jodie Wallace, Brad Reed, Slayden Diehl, Tommy Barksdale, Quinby Seawell, Jimmie Gardner, Russell Brothers, Hilliard Wood, Sam Vail, Al Strayhorn, Sam Porter, Jack Herbert, Pete Thompson, and John Brothers.

Congratulations to these boys on receiving such an honor and we know they will become outstanding members and offer much toward the betterment of the Hi-Y Club at M.B.A.

## Senior Room

The Senior Class this year has decided to leave as its gift to the School a senior room. This room will be located behind the gym in what was an old coal bin. Door and windows are being put in and the walls will be sandblasted. The use of this will be restricted only to certain seniors who will in turn have to meet certain requirements. Mrs. Ben Thompson, President of the Ladies' Auxiliary, is devoting a great deal of her time to this project and the Staff of the Bell Ringer urges each and every senior to cooperate with her.

## HOMECOMING QUEEN AND ATTENDANTS

Ann Huddleston, our lovely homecoming queen, and her radiant attendants, Miss Betty Lackey and Miss Mary Beth Cranch "reigned" at the M.B.A.-Springfield game October 22.

During half-time ceremonies Miss Huddleston was presented in a red Cadillac El Dorado and her court arrived in a white Packard Caribbean. The cars were driven by Charlie Trimble and E. Gray Smith respectively.

Escorts of the court were Mack Brothers who escorted the queen and Hayes Cooney and John Teas who accompanied her attendants.

The queen and her court carried beautiful bouquets of huge white chrysanthemums.

Rollin Lasseter

## Freshmen Class Officers

The members of the Freshmen class have recently elected officers to head their class and their representatives on both the school councils. Their officers are: President—Dick Williams, Vice-President—Steve Miller, and Secretary-Treasurer—George McGugin. The members of the Honor Council are John Dale and Bill Barr. Their Student Council representatives are: Edward Creagh and Tommy Murphree. We know these boys will make capable officers and we give them our heartiest congratulations for achieving their honored positions.

## ANNUAL STAFF

This year The Bell Yearbook of M.B.A. announces the following boys as the members of its Staff: Hayes Cooney is leading the "crew" as managing editor. His able and busy staff includes business manager, Fletcher Harvey and his assistants, Dick Sager, Bert Williams, Vincent Maddox, and W. A. Coleman; feature editor, Don Goodman. Assistants, Jack Allen, Ben Robbins, Dick Sager, Bill Lightfoot, and Fred Cassetty. John Dobson is Sports editor and his Staff includes: John Barksdale, John Teas, and Lon Foster West. Copy editor is Jim Overall; photographer is Eddie White; and the Calendar is being written by Bill Fennell.

The Bell this year is truly going to be bigger and better than ever as several departments are to be added. With an untiring Staff like the above, and an able advisor as Mr. Norman, any publication is sure to be a big success.

Warren Davis

## NEW KEY CLUB MEMBERS

The Key Club, a national organization sponsored by the Kiwanis Club, has elected the following boys as its new members: Billy Morehead, Phillip Boyd, Ivan Brown, John Brothers, Frankie Drowota, Wade Elam, Brad Reed, Emmett Dozier, and Phil Williams. This is a great honor and we heartily congratulate these fine boys.

John Dobson

If you happened to be one of the "unlucky" people whose ear drums were injured by the hearty cheering of the M.B.A. boys on October 22nd, you might be relieved to know that this was only their way of getting Homecoming 1955 off to a successful start.

At 12:00 Dr. Sager dismissed school to celebrate Sam Davis' birthday. This half holiday in honor of the boy hero who once attended M.B.A. was taken advantage of by some 20 cars driven by M.B.A. boys and parents that were organized in a very good home-coming parade. We are very proud that, unlike parades held in the past, this one did not have any accidents or collisions at all. After letting the city of Nashville know that M.B.A. was going to win a football game, the parade came back to school where it was disbanded and the boys went home (?) to get ready for the Spaghetti Supper that was to precede the home-coming game.

The Spaghetti Supper was a huge success this year and under the direction of the Ladies' Auxiliary, 850 plates were served. The ticket sale in the Junior school was won by Tommy Sloan who sold the most tickets. Whit Watson won the prize in the Senior division. The fine meal prepared by the mothers and served by the pretty waitresses, elected by the football team, and was enjoyed by everyone who attended and certainly helped put everyone in a winning mood that topped off the exciting day leading up to the long awaited home-coming game.

## Students Receive Talk On Fire Prevention

Mr. H. L. Stonecker of the Nashville Fire Department spoke to the Student body recently on fire prevention. He pointed out how carelessness on the part of anyone can prove fatal.

It is hard to believe that more than 36,000 people are killed or injured in home fires every year. Property loss is in excess of 750 million dollars each year. Thousands of these tragedies could be prevented if the occupants of these homes would observe the fundamental rules of fire prevention.

In concluding the program, Mr. Bascomb Jones, of the Nashville Exchange Club, awarded Don Goodman a badge for being M.B.A.'s Fire Patrol Leader.

## CLASS NEWS

### Grade School News

Well, here we are back again with another record of the Junior school. Nothing special happened—usual demerits, tests, and other various things.

Another boy decided to join forces with the seventh grade—John Glade. Glad to have you aboard, mate.

The six weeks tests struck a hard blow to the school. Some haven't recovered yet; some may not.

The spaghetti supper went over big in the ticket selling department, with Tommy Sloan leading the pace with 36 tickets and Omar Jordan close behind with 42. At any rate the Jr. school came through well.

Pictures were taken in the 7th and 8th grades to go in the Freedom Forum scrap-book.

Greasy is still leading in the demerit column in the 7th grade, Eighth grader Garrett gets 5.

Class meetings have been held in the Jr. school. The project is collecting Top Flight covers. We would like everyone to bring their covers to one of the rooms in the Jr. school or give them to a 7th or 8th grade boy.

The boys in the 8th grade privilege list are: Tom Stephens, Guy McClellan, Bobby Ralford, Frankie Crowell, Tommy Sloan, and Warner Bass. The 7th graders are: Larry Davis, Jeffrie Williams, Bert Charlton, Jimmy Killebrew, Bill King, and Willie Hardison.

As a whole it has been quiet in the Jr. school. So long for now.

### Freshmen News

Well, here I am again with some more inside news on the freshmen. As I told you in the last issue, the freshmen had been setting up, but it seems that they have quieted down in the past. At least most of them have.

One cold day a few weeks ago Johnny Muse struts into Algebra class with a heavy winter coat on and leans over to open the window. He did so. Mr. Wise eyed him for a few seconds and then

said, "Listen here, nature boy, if you are hot, don't raise the window, but just take off your coat!"

A few days ago Mr. Winstead was talking to his General Science class. In the middle of a sentence he stopped and said, "By the way boys, did you know I live in a tent?" The whole class stared in amazement at him. How about it, Mr. Winstead? Do you or don't you?

Allen Purdy returns to school after a hayride with a scratch under his eye. Allen said it was ropeburn. The boys say it was ~~~~~!

The newly elected officers in the freshmen class are: Edward Creagh and Tommy Murphree for the student council, John Dale and Bill Barr for the honor council, and the class officers are Dick Williams—President; Steve Miller—Vice-President; and George McGugin as Secretary-Treasurer. Congratulations to all of you.

Edgar Uden

### Sophomore News

Mr. Rule is threatened with 10 for his blackboard artistry. Reed pulls ahead of Bearden in demerit race (with a little assistance from Mr. Younger). Fraternities have annual hayrides. "Honey Love" Clements staggers in after rough evening and comments, "I've had it." Jodie Wallace, Emmett Dozier, Wade Elam, Courtney Marshall, and Rollin Lassiter speak in Chapel on the "American Way of Life". Only a few more months Woody. If you hear any of these: "nomina" (dig that Latin) babbled around the campus you will know they are sophomores:

Zola  
Long  
Goobar  
Squid  
Pretzel  
Squee  
Deacon  
Skinhead  
Daddy  
Rancid  
Tank  
Chinky  
Willy Root  
Leech  
Baby Face

See you at the Sophomore dance.

### Junior News

Here we are again with talk of the Junior class. Dick Sager and Jimmy Rule, two members of the Freedom Forum, were seen at West, Wednesday afternoon persuading Frist not to change schools just on account of one blond he saw while speaking Tuesday morning. "Bulldog" Overton, Jim "L" Cecil, and Steven George have been seen lately rodding the indestructibles over the campus. E. Gray Smith and Ed White take frequent trips to "Music Land". No kidding how did you get electricity for the radio? John McDougal, Sam Vail, and Dick Sobel have recently taken up singing. Jim Kellam is running "Slick" Welch a close race for best dressed man in Nashville. Ed Haan is seen with Yankee hat and guns fighting off the rebels. Before Monday Ed predicted one Yankee could lick 16 rebels. "Skeeter" Drowota, "Pony" Rolfe, and "Haji" Horace Burkholder are some of the stand-outs on the Big Red's football team. "Scummy Tick" and "Fangs" Watson have post school race to nearby schools. Gus "Flute" Travis has just opened a new establishment in Belle Meade called "The Turnpike Cat". Did you buy it or just run the old prop. broke, Guy? That's about all of the talk of the news of Juniors on the hill for this edition, so I'll leave you with the question of the month: "How come Slayden Diehl and Hilliard Wood make such good grades in Chemistry?" Jimmy Rule

### PARKING PROBLEM

Dear Mrs. Gruce: I have recently been double dating with a good friend of mine. He's pretty nice about loaning the car, but well, let's just say he's not a go-getter. He is quite willing to stop and enjoy the view on some dark road, but then he and his date sit on opposite sides of the car and discuss world affairs. It is rather embarrassing. What can be done about this?

### DISTRESSED D.

My advice to you is to speak to his date about this, and if nothing else can be arranged, buy a car.

### BRILLIANCE

Dear Mrs. Gruce: After having a little fun on Halloween, especially with some lights, it seems that we are about to be found out. What about it Mrs. G?

### TRIMBLING

Don't worry, you weren't seen, the glare was too bad.

### DISCOURAGED

Dear Mrs. Gruce: I am knock-kneed, skinny, not bright, cross eyed and awkward. I love women, all women, what can I do to be attractive to them?

### CRUSHED

My advice is to inherit a million dollars. It draws'em like flies.

### DOOR LOVER

Dear Mrs. Gruce: How does one find a doorknob around here?

### ANONYMOUS

It won't do any good to ask me, for by the time I can get my answer to you in this issue, which comes out every con or so, you won't care.

We thank you for your quick and lively response to our last column. Things have changed since I was hep, because your comments of gag, brack, ugh and uhuh were not used for compliments.

There has been a change of address. Send your letters now to: County Jail, Women's Sector, Cell Block 2.

## Bottom of the Afternoon

By Blue La Rue

Well here we are back again in the second issue(?). Better late than never. For many months our large staff of ambitious ace reporters have been slaving to compile juicy bits of news to put in this extremely educational article. We always say that no news is good news unless it's gossip. So in this issue we will try to comply to our high standards of prep school journalism in order to bring you this fine article worthy of the Bitzer Prize for outstanding merit in the field of writing gossip columns. Enough of this formal bull, let's get on with the news. Students are thrilled by the wonders of the GM Science Show, recommended personally by George Alvis Winstead. Popo furnishes jet engine for the GM Cavalcade. Mack Brothers has been seen lately around Robin Hill Road. Somebody ask him what he was doing. Bonny Bill Bradford loses Senior Ring somewhere on Belle Meade Blvd. Mrs. Sager moves Strayhorn to corner of room so he won't block view of other students with his ears.

New Science students: Chickey, Dobson, Herbert, Porter, Fennell, Cummins, and Epps are quickly learning of Mr. Winstead's scientific mind. John Thweatt has been absent from school quite a bit lately—will someone please help him find his way. The campus seems a lot brighter as Charlie Beatty finds his razor. Sons of Silas are reprimanded by Dr. Sager for conduct at last prep rally. The question is who has the biggest and widest nose—Holt or Overall. We would like to congratulate "tremendous" Pete Thompson on getting pinned to Mary Beth Cranch. Congratulations are in order to Conney and the rest of the honor council for its fine talk in assembly on Honor. Best wishes to Andy Coles for a speedy recovery from his recent operation on an "old" football wound. Well we hope you have learned a lot from this educational article. We will see you next year when our next issue comes out.

## MAROONS DOWN COHN 32-7

Burkholder scores after hand-off from Watson in Du Pont game.

M. B. A. STOPS  
SPRINGFIELD

Before a large homecoming crowd the Big Red of M.B.A. marched to its sixth victory over an even dangerous Springfield team 21-6, which had lost to Litton by a narrow margin of 14-12 some two weeks ago. The game started with the Yellow Jackets recovering a Big Red fumble on the 15 yard line, and it only took six plays before the Yellow Jackets scored, putting them ahead 6-0, after they failed to make their extra point. The Big Red got right back into the picture, as Pete Thompson raced 60 yards for a touchdown giving the old grade plenty to cheer about. The accurate toe of Whit Watson put the Big Red out in front 7-6. Springfield, still with plenty of fight, proved they were still in the game when they held the Big Red on the goal, until a 15 yard penalty aided the Springfield defense, but a few plays later the Reds were knocking on the door and this time Jack Herbert burst into the end zone without much trouble. The game was nip and tuck with many vicious tackles and blocks seen, as Burkholder, Nolan, Strayhorn and Murphree crossed up many of Springfield's plays with hard tackles behind the line of scrimmage, which kept the Springfield offense bottled up throughout the night. Reserve fullback Russell Brothers got in to scoring parade when he marched over Springfield tacklers for five yards and a touchdown putting the Big Red ahead 21-6. Herbert prevented another Springfield touchdown when he caught Darnell from behind after he had taken a long pass from quarterback Smith. The rugged defensive line proved again to be a rock of granite when they held a Springfield drive on the one yard line late in the game. Beating Springfield is a pleasure anytime and it surely added a colorful note to make it a successful homecoming. A great deal of credit should be given to Coach Owen for his wonderful job of preparing the team for this all important game against a well balanced Springfield team.

MBA MAULS  
CENTRAL

The Maroons of M.B.A. spoiled the Homecoming hopes of the Golden Tornadoes of Central on October 8, 47 to 0. The Big Red's overpowering offense marched up and down the field all night long against a determined Central defense. The powerful offensive machine was not the only bright spot in the charges of Coach Tommy Owen because the defense, sparked by Peter Scales, Frank Burkholder, and John Nolan, completely halted the motion of Central.

Pete Thompson looked good running the ball while Henry Hurt and Whitney Waugh made two fine receivers for passes.

Every member of the Harding Road outfit played against Central.

MICROBES HAVE  
GOOD SEASON

This year the Microbes had a very successful year considering their size. They won two, tied one, and lost three. A lot of credit goes to Mr. Wise and Mr. Norman who coached them.

Their first victory of the year was against Woodmont, 14 to 6, with Dickie Husband and Tom Stephens going over for the TD's and Bobby Raiford and Husband adding the extras to climax a good day of scoring. I say a good day; it could have been better because 3 TD's were called back. An outstanding factor in the "Little Red" offense was the long runs. On defense Spencer Iverlet was outstanding. Coach started something when he said, "A cove to the one who makes the first tackle." Almost everyone has a cove coming. Burch was almost caught talking to Mr. Wise when he wasn't supposed to, said he was telling coach that Clements was sick.

In the Onion Bowl the "Little Red" played Farmer, resulting in a 13-12 score. The two touchdowns were scored by Bobby Raiford and Tom Stephens—Raiford around right end, Stephens around left end. The Red was good on defense with Sloan playing well and Raiford intercepting a pass of the fingertips of Burch, Sloan, Raiford, and Stephens were looking good on offense sparked by a great passing game. Time ran out with the Red on the four as a result of a Burch to Sloan pass.

The big victory of the Microbes this season was over Robertson Academy 29 to 18. This was definitely the best game yet. The offense was great and likewise for the defense with Sloan playing his best game on both offense and defense scoring one TD, one extra, and one touch back. Although Sloan scored 9 points, Raiford scored 12 points, scoring 2 TD's, one of which was on a long 75 yard run. Stephens also had a good day with 7 points scoring 1 TD and 1 extra. All the points were scored in the first half. The defense was great with several fumbles being recovered. Everyone got to play. Some of the first string didn't even work up a sweat. It must have been an easy victory. The little backfield, consisting of Jimmy Killebrew, Alex Porter, Bullets Gillespie, and Willie Hardison, played well during the last half while the first string took a rest.

The last game of the regularly

BIG RED DEFEATS  
GALLATIN

The speedy Maroons downed the Green Wave 38-13 at Frank Andrews Field on the night of October 1st. Before the game M.B.A. was only a one point favorite over the unbeaten Gallatin Ball Club. Both teams were greatly hindered by a wet field.

Jack Herbert sparked the M.B.A. offensive attack with 4 touchdown runs of 11, 70, 22 (on a pass from Frist) and 71 yards. Herbert gained 138 yards in 7 carries from scrimmage.

Pete Thompson gained 71 yards in 8 tries and Mack Brothers gained 75 yards in 9 tries. This trio gave M.B.A. 284 of 297 yards net rushing for M.B.A.

Tom Frist ably filled the quarterback spot for the Big Red in the place of Whit Watson who was injured.

M.B.A. drove 54 yards for its first touchdown with Herbert going the last 11 yards. The score stood 7-6 Gallatin's favor.

On a punt return of 70 yards for a touchdown by Herbert put M.B.A. ahead 12-7. Then Gallatin came back with a kick off return of 75 yards making the score 13-12.

Then M.B.A. made a 76 yard drive sparked by Mack Brothers, making a 30 yard run and Frist sneaked over from the two. Herbert took a pass from Frist and raced 22 yards for the touchdown which gave M.B.A. a 24-13 half-time score.

Herbert recovered a Gallatin fumble and three plays later Thompson plowed over for M.B.A.'s fifth touchdown. After that Herbert went 71 yards off tackle for M.B.A.'s final touchdown.

The Maroon defense was sparked by Thompson, Morehead, and Rolfe.

John Thweatt

scheduled season was against Julia Greene winning 13-6. The TD for the Red was made by Tom Stephens on a long 80 yard run. The extra point was no good on a pass from Burch to Sloan. The defense was good for such a cold day.

The 54 season has truly been a good one for the Microbes of M.B.A. Now it's time for basketball.

In the dark, cloudy October night the red-coated chargers of Coach Tommy Owen rode again to victory. The 32-7 victory over Cohn brought our Clinic Bowl hopes a big step closer to reality. M.B.A. sent five different players into the end zone showing again that our well balanced backfield was among the best, if not the best, in the city.

The game was about even until late in the first quarter when Pete Thompson picked up Charlie Fentress' fumble on the 50 yard line and scampered to the Cohn 17 before being pushed out of bounds. Three plays later Whit Watson dazzled the crowd with a spectacular demonstration of how to run an option play for a touchdown.

On the next to last play of the first quarter M.B.A.'s Billy Morehead pounces on top of another Fentress fumble. A few plays later Jack Herbert twisted and side-stepped his way 34 yards for our second score.

Late in the second quarter Cohn started an inspired drive which was stopped short of the goal only by the clock.

The score was 12-0 M.B.A. favor at the half.

As the second half opened M.B.A. again recovered a fumble on the Cohn 34 and four plays later Co-Captain Pete Thompson went over from the eight.

M.B.A. kicked off to Cohn and five plays later Jimmy Payne went 22 yards for their only touchdown of the night.

The Maroons were still not satisfied so they took the Cohn kick-off and 13 plays, 59 yards later Frank Burkholder bulled his way over from the two yard line.

Late in the fourth quarter M.B.A. again got possession of the ball and on the next to the last play of the game, halfback Mack Rolfe passed 39 yards to Henry Hurt for the final score of the game.

Whit Watson, who gained 130 yards in 16 carries, led the Maroons along with Sam Porter on offense. Burkholder and Minick as usual were the defensive standouts.

Jimmy Payne who had 62 yards in 19 efforts was the leader for Cohn.

This all important victory gave M.B.A. a 5-1 record for the season and a 4-0 league standing.

## Girl of the Month

**Harriette Husband**

This month the "Bell Ringer" has elected for its "Girl of the Month" Miss Harriette Husband. Harriette, a senior at Harpeth Hall, serves this year as Vice-President of the Student Council. Also she is a member in good standing of the Triad Club at Harpeth Hall. Not only is she a member of this, but also of the Annual Staff, the Science Club, and the Spanish Club.

A member of the Hobson Methodist Church, Harriette belongs to the M.Y.F. there.

In 1951 she pledged the Delta Beta Sigma sorority. While serving this Club for three years, Harriette has become very well-liked by all her sorority sisters, and in the past elections was elected President of that group.

Now she is serving on the planning committee for "Chaos", a variety show sponsored by the boy's and girl's Panhellenic Council.

The members of the "Bell Ringer" Staff consider it an honor to have such a fine Christian young lady as their "Girl of the Month".

## ASSEMBLY PROGRAMS

The first of several groups of speakers that have appeared before us during the past two weeks was composed of several members of our Honor Council. This group of speakers, Bill Bradford, Phil Williams, and Ivan Brown, spoke to the student body on courtesy. In their interesting talks they made quite a few good points that set every one to thinking about being a little more polite.

Using Bible passages, famous quotations, and the Honor System Constitution, Hayes Cooney, Philip Boyd, Rollin Lasseter, and John Dale spoke concerning the purpose of our Honor Council.

Mrs. Campbell is turning out a fine crop of speakers this year and we have had the pleasure of hearing a group from the Sophomore speech class. Emmett Dozier, Courtney Marshall, Wade Elam, Jody Wallace and Rollin Lasseter are the speakers.
